

Vacancy for the post of Senior Manager for Quality Assurance & Regulatory Affairs

The Mauritius Institute of Biotechnology Ltd (MIBL) is the leading biotechnology agency mandated by Government to catalyse the growth of the medical, marine, agricultural, industrial and environmental biotechnology sectors in Mauritius. MIBL is also entrusted with the responsibility of investing in potential business ventures in the field of biotechnology.

The particulars for the post are as follows:

1. Job Profile

Enable and execute processes to ensure optimal quality within the biotechnology sector. Develop and implement internal regulations, guidelines, procedures with the aim of ensuring that the organization complies with the applicable and current legislation.

2. Key Duties & Responsibilities

- a) Contribute to policies and processes with the aim of maintaining and increasing national and regional approval for products and services.
- b) Prepare, lead and follow regulatory and technical audits with the aim of effecting ongoing improvement to quality and processes.
- c) Stay well-informed about the evolutions and developments within the context of amendments to national and regional regulations. Understand the regulatory framework in Mauritius and in Africa.

3. Candidate Profile

- a) A Bachelor's degree in either Biotechnology, Biology, Chemistry, Microbiology, Molecular Biology, Biochemistry, Bioinformatics, Genetics, Marine Biology, Biomedical Sciences, Pharmacology or in any related field acceptable to the MIBL.
- b) A Master's degree in any of the above field with minimum of 10 years' experience in the domain.
- c) Knowledge of regulatory requirements and guidelines, such as FDA regulations and Good Manufacturing Practices (GMP), Good Laboratory (GLP) and Good Clinical Practice (GCP).

4. Mode of Application

Application form can be downloaded from the MIBL's website at www.mibl.govmu.org. Interested candidates are invited to submit their application and Curriculum Vitae by email: contact@miblmu.com not later than 1600 hours on Monday 20th of May 2024.

Applications received after closing date will not be retained. Only the best qualified candidates will be convened for an interview.

MIBL reserves the right not to make any appointment as a result of this advertisement.
